**Prominent publications seek firm's expertise for coverage of critical industry developments.**

### Triangle Business Journal Features Paul Meade as Guest Columnist

#### Meade Warns of Potential Economic Harm Due to Misinterpretation of Doctor Payments

With the Sunshine Act's controversial Open Payments database now public, negative press over payments made to doctors by the pharma and medical device industries is fueling speculation about the impact this could have on industry--and, in turn, the economy.

The Raleigh-Durham area's preeminent business publication, *the Triangle Business Journal*, turned to Thought Leader Select's Founder and President, Paul Meade, to explain: [Reviewing Doctor Payments in Context](#)

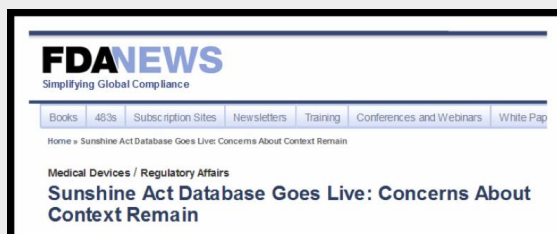

### FDA News Shines a Light on Meade as Sunshine Disclosure Expert

#### Meade Advises Industry Leaders on Dealing with Payment Disclosures

With the recently-released Open Payments database showing an estimated \$3.5 billion in industry payments to physicians, concerns over the lack of context surrounding this information abounds.

*FDA News'* premium publication, *Devices & Diagnostics Letter*, provides leaders in the device and diagnostics industries with the latest in compliance news. Seeking specialized expertise in counseling its readers, *FDA News* spoke with Paul Meade on the issue: [Sunshine Act Database Goes Live: Concerns About Context Remain](#)

### Meade Awarded Byline in Pharmaceutical Compliance Monitor

#### With Modern Medicine at Stake, Thought Leader Select Offers Clarity to Industry Insiders

As the pharmaceutical industry reels from confusion sparked by complex new laws, the fact remains: the future of healthcare innovation hinges on the industry's ability to successfully navigate these emerging regulations.

Highlighting the latest regulatory and compliance news for the pharma and biotech communities, *Pharmaceutical Compliance Monitor* tapped Thought Leader Select to guide those working to navigate the changing landscape: [Solar Power: KOL Relationships in the Era of the Sunshine Act](#)
